**Re: California Association of Sanitation Agencies and Tri-TAC Support of
December 30, 2011 Bay Area Clean Water Agencies Comment Letter on the
Informal Draft Regulations for Safer Consumer Products: R-2011-02**

Dear Ms. Madriago:

The California Association of Sanitation Agencies (CASA) and Tri-TAC would like to add our support to the December 30, 2011 comment letter submitted by Bay Area Clean Water Agencies (BACWA) regarding the Informal Draft Regulations for Safer Consumer Products. CASA and Tri-TAC are statewide organizations comprised of members from public agencies and other professionals responsible for wastewater treatment. Tri-TAC is sponsored jointly by CASA, the California Water Environment Association, and the League of California Cities. The constituency base for CASA and Tri-TAC collects, treats and reclaims more than two billion gallons of wastewater each day and serves most of the sewered population of California.

CASA and Tri-TAC applaud the Department of Toxic Substances Control staff for their work on the draft regulations for Safer Consumer Products. We hope that these
